

North Canyon
MEDICAL CENTER

Ready to begin your weight loss journey?

Weight Loss Seminar | June 26th | 6:00pm

If you are struggling to lose weight, North Canyon Medical Center, in Gooding, has a non-surgical option for you. We are proud to be the only location in the Magic Valley to offer ORBERA; an innovative gastric balloon designed to manage portion control and help you lose weight. Please join us June 26th for a free seminar and learn more about this innovative weight loss option.

For more information, please call (208) 934-9678.
